

On Wednesday, the SBA came out with the EZ PPP Loan Forgiveness Application Form to streamline the forgiveness process for most business owners. Our apologies for being a day late to the PPP party. We have-

1. Paycheck Protection Program lending over \$600B to small businesses with all its warts and tweaks.
2. PPP Flex Act which changed 8 weeks to 24 weeks, 75% payroll costs to 60%, and 2 years to 5 years.

And now...

3. EZ PPP Loan Forgiveness Application to make it easier on small businesses (and banks) to process forgiveness. Read our quickie blog post here-

There are rules... of course there are rules, right?! But overall this is another wonderful addition to the PPP world.

Your Challenge: Make a nice sandwich along with some snacks, and go on a hike or find a nice park. Summer is here!
