This is an email to all our clients who might have received a PPP loan from the SBA. If you do not know what that is then you can delete this email and have a wonderful day. Otherwise...

We are shifting from PPP loan application support to the **loan forgiveness phase**. We have compiled a short list of frequently asked questions that will be updated over the next several weeks. Here is the link for your review-

We suggest checking back often as the SBA, IRS and Treasury Department including the AICPA (accounting industry governing body) have been working hard to put together more guidelines. Don't laugh; they really are working hard. We will update our FAQs accordingly.

As you might know, we have assembled a PPP task force that consists of Jason, Amanda, Nate, Kate, Chelsea and Sam. This is a global shout out to this group of professionals who over the past four weeks has helped over 250 small business owners receive **over $9.2 million** in loans. If you have any PPP related questions, please email the task force at ppp@wcginc.com.

Things are changing a mile a minute... we cannot wait to get back to the days of giving tax advice from the beach with a drink in our hand, and not a laptop.

Have a wonderful day!

Warm Regards,
